NOTICE TO SHAREHOLDERS
(“Notice”)

27 February 2025

Dear Investor,

Notice of closure of the Janus Henderson US Contrarian Fund (the “Fund”)

We are writing to inform you that we intend to close the Fund on 31 March 2025 (the “**Effective Date**”). We would like to thank you for your trust and ongoing custom, and we understand this news may be disappointing. This Notice includes information about why we think this decision is in the best interests of the shareholders of the Fund and details the options available to you, including switching your investment to another fund in our range free of charge.

It is important that you read this Notice and understand the implications of the closure and the options available to you.

1. Why have we decided to close the Fund?

We regularly monitor and perform assessments of the funds to ensure they continue to meet client expectations and needs. After careful consideration of the ongoing viability of the investment strategy, fund performance and prospects for future growth, the manager of the Company has determined that it is in the best interests of the shareholders of the Fund to close because it is unlikely to grow or attract new investors in the future. Therefore, we believe that the Fund is no longer viable.

2. Can you still subscribe or switch into the Fund?

From the date of this Notice, subscriptions, switches and transfers into the Fund will no longer be permitted.

3. What action should you take?

You have three options available to you as set out below. Applicable deadlines and dates are set out in the “Key Dates” section.

If you are in any doubt about the action to be taken, please seek advice from your stockbroker, bank manager, solicitor, accountant, relationship manager or other professional adviser.

Option 1: Switch your investment

You may switch your investment in the Fund into another fund of the Company. The investment in the fund(s) you specify will be purchased at the price applicable to that fund at the time that your request is processed in accordance with the provisions of the prospectus of the Company (the “**Prospectus**”), but we will waive any applicable redemption or subscription charges. Before you switch into a new fund, it is important that you read the Key Information Document or Key Investor Information Document (“**KID**” or “**KIID**”) of the new fund, which is available as described in the “Further information” section below.

Option 2: Redeem (sell back) your investment

You may redeem (sell back) your investment in the Fund in accordance with the redemption procedures set out in the Prospectus.

If you choose to redeem your investment in the Fund, we will pay the redemption proceeds to you in accordance with the provisions of the Prospectus, but we will waive any redemption charges.

Option 3: Take no action

If you take no action prior to the Effective Date, the Fund’s portfolio will be liquidated and the value of your investment in the Fund will be returned to you using the bank account details we hold on record.

Key Dates

Deadline for instructions for Options 1 & 2 - 28 March 2025

To switch or redeem out of the Fund, we must receive instructions no later than the trade cut-off time.

Effective Date - 31 March 2025

*If you have not taken any action by this time, then the proceeds will be returned to you in accordance with the process described in **Option 3**.*

4. Closure process

From the date of this Notice up to and including the Effective Date, we will seek to continue to manage the Fund in accordance with its investment objective and policy and in accordance with the applicable regulations. However, in seeking to close the Fund in an efficient manner and in the best interests of investors, the Fund may not always be compliant with its investment objective and policy or with the UCITS rules during this period (notably in the days immediately preceding the Effective Date) as it may be necessary to begin selling down assets.

5. Costs

Costs relating to the liquidation of the Fund (including legal and mailing costs) will be borne by Janus Henderson Investors. The market-related transaction costs associated with the disposal of the Fund’s investments will be borne by the Fund.
