### Where to find out more about the Fund

#### Where can I get more detailed information about the Fund and the changes that affected it over the last financial year?

The best source of information about the Fund over the financial year that ended on 30 June 2024 is the Audited Annual Report. It includes:

- A report from the Board of Directors
- An overview of activities that independent auditors have checked for accuracy
- Financial statements (including details about the Fund's performance and net assets)
- Changes to the investment management structure of the Fund

#### How do I find the Audited Annual Report?

We do not mail out copies of the Audited Annual Report to shareholders anymore. The easiest way to see the Annual Report is on our website at:

<http://www.ftidocuments.com>.

You can download a copy in the language of your choice or read it directly on the website.

#### Can I get a printed copy of the Annual Report?

If you want a printed copy, we will be happy to get one to you. Just call your closest Franklin Templeton office - there is a list of the offices included with this invitation - or talk to your financial advisor.

#### Are there any other sources of information?

If you want to know more about the Fund's plans and how we manage investments, take a look at the Prospectus of the Fund, and UCITS Key Investor Information Documents or PRIIPs Key Information Documents. You can find these on our website at [www.ftidocuments.com](http://www.ftidocuments.com).

You can also get printed copies free of charge, upon request, from your closest Franklin Templeton office.
